Who we are:

We are nurses trained to work with people who have a learning disability. We help people who have a learning disability when they go to Queen Alexandra Hospital. This maybe in:

- Outpatients
- Emergency department
- On the ward

Who we are:

We help you plan your treatment with the hospital.

We help if you are scared of injections or other treatments.

We can help to change things to make them easier. This may be;
- Longer appointment times
- Special equipment
- Easier information

How we help you:

We will help family, carers and hospital staff to make sure people with learning disabilities are treated well.

How we help you:

We will help you to talk to people at the hospital.

We train the hospital staff to help them understand the needs of people with learning disabilities.
